Product Description

OEM Custom Stainless Steel Deep Drawn Metal Parts Precision Sheet Metal Stamping Fabrication

Product Description

Material	Stainless Steel,Carbon Steel,Aluminum
Finish	Polished,Powder Coating,Plating,Deburring,etc.
Type Of Shipping	Air, Sea And Rail Transport
Application	Automotive, Electronics, Machinery, Etc.

Specification

Packing & Delivery

Selling Unit	Single Item
Single Package Size	25*20*20 cm
Single Gross Weight	0.2 kg

Company Profile

Dongguan Tianpin Hardware Technology Co., Ltd. was established in 2008, located in Dongguan, Guangdong Province, enjoying convenient transportation and beautiful environment. Our company covers an area of 2,000 square metres, set production and trade as one, the company has strong technical force, has a number of experienced and many years engaged in moulds, stamping, hardware processing, product R&D and other projects of the management, design and technical personnel, the existing number of employees about 50 people. We are specialized in metal stamping, CNC and sheet metal etc.

Our Advantages

Our company has rich experience in the metal manufacturing industry. Our main products include automotive spare parts, aluminium heat sinks, custom chassis shells and CNC machining products to meet different requirements of different customers. We have 30 sets of 20-200T stamping equipments to strictly control the quality of our products, and we can reach a monthly output of 500,000 pieces with precision and high speed production efficiency.

Why Choose Us

Our company is good at producing hardware stamping molds, progress molds, drawing molds, and the monthly capacity of moulds can be up to about 800 sets of complete industrial chassis moulds, and the monthly capacity of products is about 5000 sets of industrial chassis. Adhering to the business principle of mutual benefits, we have had a reliable reputation among our customers because of our professional services, quality products and competitive prices. We warmly welcome customers from at home and abroad to cooperate with us for common success.
