Company Advantages

With extensive experience in metal manufacturing, we specialize in:

- Automotive spare parts

Aluminum heat sinks

Custom chassis shells

CNC machining products

Our production capabilities include:

30 sets of 20-200T stamping equipment

Monthly output of 500,000 pieces

Precision manufacturing with high-speed production efficiency

Frequently Asked Questions

Q: Do you have any MOQ?

> A: No minimum order quantity. Larger quantities receive better pricing.

Q: What's the delivery time?

> A: Typically 7-15 days, depending on product specifications.

Q: What products do you offer?

> A: Metal stamping components, toggle latches, castings, clamps, crate clips, and server chassis.

Q: Why choose your company?

> A: Established in 1998, we specialize in precision metal stamping and casting with strict quality control, competitive pricing, and reliable service.

Q: How can I track my order?

> A: We provide tracking numbers immediately after shipment.
