

Stainless Steel 4x4 Metal Bracket Aluminium Angle Brackets Furniture Mounting

Our Product Introduction

for more products please visit us on tampin-metal.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: TIANPIN
- Model Number: OEM
- Minimum Order Quantity: 300 pieces
- Price: \$0.45/pieces 300-999 pieces

Product Specification

- Structure: Single-side Bracket
- Standard Or Nonstandard: Nonstandard
- Material: Stainless Steel, Carbon Steel, Aluminum, etc.
- Dimensions: According To Drawings Or Samples
- Application: Furniture, Industrial, Wood Construction, etc.
- Processing Way: Stamping, Bending, etc.
- Surface Treatment: Polishing, Powder Coating,
- Size: Various Size Available
- Color: Silver, Black, Customized
- Service: OEM ODM Customized
- Sample: Free But You Need To Pay The Shipping Cost
- Weight Capacity: Can Hold Up To 50 Lbs
- Highlight: **Stainless Steel 4x4 metal bracket, Furniture Mounting 4x4 metal bracket, 4x4 aluminium angle brackets**

Product Description

Custom L Shape Angle Bracket Flat Plate Fastener Stainless Steel Carbon Steel Furniture Mounting Usage Bracket

Product Description

Material	Stainless Steel,Aluminum,Carbon Steel
Finish	Power Coating, Deburring, Polishing, Anodized, etc.
Processing Way	Stamping,Bending,etc.
Delivery Detail	Bubble pack individually to prevent from damaging and scratches in transporting, then in carton
Payment Terms	T/T, D/A, L/C, D/P, Western Union, MoneyGram
Delivery Time	25-30 work days

Packing & Delivery

Selling Unit	Single Item
Single Package Size	20*20*15 cm
Single Gross Weight	0.2 kg

Company Profile

Dongguan Tianpin Hardware Technology Co., Ltd.

Forging Innovation, Crafting Quality.

Phone: +86-131 2039 1637

E-mail: sales@tianpin-metal.com

25 YEARS INDUSTRY EXPERIENCE

- Skilled Personnel
- Large Factory Space
- Customization Flexibility
- Extensive Production Experience
- Precision Metal Stamping
- Comprehensive Customer Service

Flags representing international markets: Sweden, Portugal, España, France, Germany, Russia, Korea, China, USA, UK, Italy, Spain, Turkey, Czech, Hungary, India, and others.

Our Advantages

Our company has rich experience in the metal manufacturing industry. Our main products include automotive spare parts, aluminium heat sinks, custom chassis shells and CNC machining products to meet different requirements of different customers. We have 30 sets of 20-200T stamping equipments to strictly control the quality of our products, and we can reach a monthly output of 500,000 pieces with precision and high speed production efficiency.

PRODUCT CATEGORY

- METAL STAMPING**: Various stamped metal parts.
- HEATSINK**: Aluminum heat sink components.
- CRATE CLIP**: A black metal clip for crates.
- LASER CUTTING**: A laser-cut metal horse sculpture.
- SHEET METAL FABRICATION**: A custom metal frame or chassis.

HEAT SINK

Suitable for long time high temperature environment
Efficient heat dissipation and cost-effective cooling solution
Reduce energy consumption to increase the efficiency and longevity of equipment

[VIEW MORE](#)

METAL STAMPING

Mass production has significant cost advantages
Production of a variety of materials and complex shapes
Production of high quality and consistent precision metal parts

[VIEW MORE](#)

SHEET METAL FABRICATION

Professional custom sheet metal fabrication service
Automotive, electronic equipment and other industries are widely used
Provide strong, durable finished products to meet a variety of engineering needs

[VIEW MORE](#)

CRATE CLIP

High quality metal material ensure durability
Recyclable powerful crate clip for cost-effective packaging
Customized different size and shape to meet various packaging needs

[VIEW MORE](#)

LASER CUTTING

Precision cutting using advanced laser technology
For processing needs of various materials and complex geometry
Complete processing tasks quickly and reducing production cycles and costs

Why Choose Us

Our company is good at producing hardware stamping molds, progress molds, drawing molds, and the monthly capacity of moulds can be up to about 800 sets of complete industrial chassis moulds, and the monthly capacity of products is about 5000 sets of industrial chassis. Adhering to the business principle of mutual benefits, we have had a reliable reputation among our customers because of our professional services, quality products and competitive prices. We warmly welcome customers from at home and abroad to cooperate with us for common success.
