Packaging & Shipping

Selling Unit	Single Item
Package Size	20×20×15 cm

Gross Weight	0.2 kg
Shipping Methods	Air, Sea, and Rail Transport
Delivery Time	10-25 days (varies by product)

Company Profile

With extensive experience in metal manufacturing, we specialize in precision metal stamping and casting products including automotive parts, aluminum heat sinks, custom chassis shells, and CNC machining components. Our facility features 30 sets of 20-200T stamping equipment, ensuring monthly production capacity of 500,000 pieces with high precision and efficiency.

Why Choose Us

- Monthly capacity of 800 sets of industrial chassis molds
- Monthly production capacity of 5,000 sets of industrial chassis
- Strict quality control system
- Competitive pricing and fast delivery
- Established in 1998 with reliable reputation

Frequently Asked Questions

Q: Do you have any minimum order quantity?

A: No MOQ requirements. Larger quantities receive better pricing.

Q: What's the typical delivery time?

A: Generally 7-15 days, depending on product specifications.

Q: How will I know when my order ships?

A: We provide tracking information immediately upon shipment.
