

## Aluminum Heatsink with Excellent Heat Dissipation for High-Performance LED Lighting

Our Product Introduction

for more products please visit us on [tampin-metal.com](http://tampin-metal.com)

### Basic Information

- Place of Origin: China
- Brand Name: TIANPIN
- Model Number: LED Heatsink
- Minimum Order Quantity: 100
- Price: \$0.3-\$5.0/PC
- Packaging Details: 20\*20\*25 cm
- Delivery Time: 15-20 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 50000 pcs per month

### Product Specification

- Shape: Round
- Alloy Or Not: Alloy
- Grade: 1000-7000 Series
- Application: Circuit Board/ Electronic Equipment
- Surface Treatment: Anodized
- Material: Aluminum, Copper, Etc.
- Color: Silver, Black, Custom
- Product Name: LED Heat Sinks
- Length: Custom Length, According To Your Requirement, 1M/2M/3M
- Packing: Pearl Cotton Foam+PE Bag, Pearl Cotton+ Kraft Paper+air Bubble+wooden Cases

## Product Description

### Aluminum Heatsink with Excellent Heat Dissipation for High-Performance LED Lighting

#### Product Description

|                   |   |
|-------------------|---|
| Material          | Stainless Steel,Carbon Steel,Aluminum,Brass,Copper,etc.         |
| Surface Treatment | Anodizing, powder coating, Electrophoresis, anodized, polishing |
| Size              | Various Size Available  |
| Color             | Silver, Black, Blue, Customized Color, yellow                   |
| Processing Way    | Aluminum Extrusion Heatsink                                     |
| Sample            | Free But You Need To Pay The Shipping Cost                      |
| Payment Terms     | L/C, D/A, D/P, T/T, Western Union, MoneyGram                    |

#### Packing & Deliver

|                     |             |
|---------------------|-------------|
| Selling Unit        | Single Item |
| Package Size        | 20*20*15 cm |
| Single Gross Weight | 0.02 kg     |

#### Company Profile

#### Our Factory

## Product Category

**HEAT SINK**  
Suitable for long time high temperature environment  
Efficient heat dissipation and cost-effective cooling solution  
Reduce energy consumption to increase the efficiency and longevity of equipment

VIEW MORE PRODUCTS

**METAL STAMPING**  
Mass production has significant cost advantages  
Production of a variety of materials and complex shapes  
Production of high quality and consistent precision metal parts

VIEW MORE PRODUCTS

**SHEET METAL FABRICATION**  
Professional custom sheet metal fabrication service  
Automotive, electronic, equipment and other equipment are widely used  
Provide strong, durable finished products to meet a variety of engineering needs

VIEW MORE PRODUCTS

**CRATE CLIP**  
High quality metal material ensure durability  
Removable power-on cable clip for customized different size and shape to meet various packaging needs

VIEW MORE PRODUCTS

**LASER CUTTING**  
Precision cutting using advanced laser technology  
For processing needs of various materials and complex geometry  
Complete processing tasks quickly and reducing production cycle and costs

## Payment and Delivery

## SHIPPING & PAYMENT >>

### PAYMENT

### SHIPPING

- If the quantity of order is not very big, we could send them to you by express delivery, such as TNT, DHL, UPS OR EMS etc.  
If order is big, we will advise you use Air Shipping or Sea Shipping through your nominated forwarder agent. Our long-term cooperated agent also available.

## Why Choose Us

### OUR ADVANTAGE

1. 25 years of Producing & Exporting experience
2. Efficient communication
3. Professional service
4. Carefulness and patience
5. Good at solving problems for customers

### OUR SERVICE

1. Professional design team, satisfy customer's requirements.
2. Protecting your ideas of design and all your information.
3. Offer OEM and ODM Service
4. Support customization service
5. On time delivery

## FAQ >>

- Q** Do you have any MOQ?  
**A** No limit. More quantity has better price, we will check the best price for you.
- Q** What's the delivery time?  
**A** Generally within 7-15 days, we will arrange for you as soon as possible.
- Q** What can you buy from us?  
**A** Metal Stamping/Clamp/Crate Clip/CNC Machining/Monitor Stand/Sheet Metal Fabrication
- Q** Which shipping method do you usually use?  
**A** By train/sea DDP, by express, we can also ship with your own forwarder.
- Q** How do I know if you have shipped my order?  
**A** Tracking number will be provided as soon as your order is shipped.
- Q** Why should you buy from us not from other suppliers?  
**A** Established in 2008, Tianpin Technology is specialized in precision metal stamping & sheet metal fabrication, with wide-range production lines cover all kinds of application areas. Strict QC system, reasonable price, fast delivery and best service are all our advantages.
