Product Description

C006 Angle Adjustable Notebook Folding Stand Adjustable PC Stand Holder

Product Description

Material	Stainless Steel, Carbon Steel, Aluminum, Brass, Copper, etc.
Surface Treatment	Anodizing, powder coating, Electrophoresis, anodized, polishing
Size	Various Size Available
Color	Silver, Black, Blue, Customized Color, yellow
Processing Way	Stamping, Bending, etc.
Sample	Free But You Need To Pay The Shipping Cost
Payment Terms	L/C, D/A, D/P, T/T, Western Union, MoneyGram

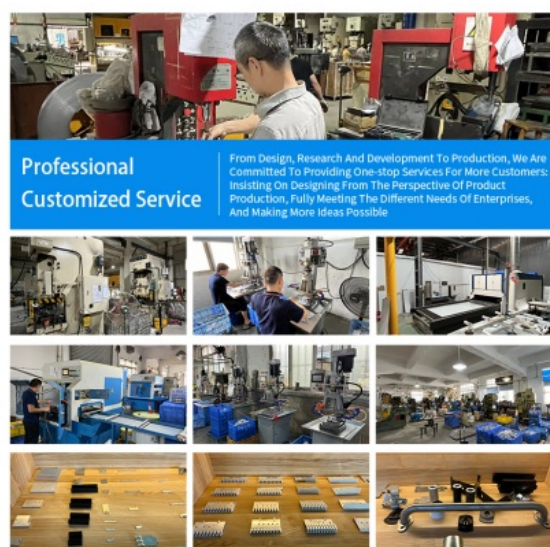

Packing & Deliver

Selling Unit	Single Item
Package Size	20*20*15 cm
Single Gross Weight	0.02 kg

Company Profile

Our Factory

Product Category

HEAT SINK
Suitable for long time high temperature environment
Efficient heat dissipation and cost-effective cooling solution
Reduce energy consumption to increase the efficiency and longevity of equipment

VIEW MORE

METAL STAMPING
Mass production has significant cost advantages
Production of a variety of materials and complex shapes
Production of high quality and consistent precision metal parts

VIEW MORE

SHEET METAL FABRICATION
Professional custom sheet metal fabrication service
Automotive, electronic, equipment and other equipment are widely used
Provide strong, durable finished products to meet a variety of engineering needs

VIEW MORE

CRATE CLIP
High quality metal material ensure durability
Removable power-on cable clip for customized different size and shape to meet various packaging needs

VIEW MORE

LASER CUTTING
Precision cutting using advanced laser technology
For processing needs of various materials and complex geometry
Complete processing tasks quickly and reducing production cycle and cost
