Packing & Delivery

PACKING AND SHIPPING

1. **General Package:** packing in bubble bags or plastic bags first, then in cartons, and finally in crates or pallet.
2. As per customer's request.

To ensure the safety of your goods, we provide professional, environmentally friendly, convenient and efficient packaging services.

Company Profile

Dongguan Tianpin Hardware Technology Co., Ltd. was established in 2008, located in Dongguan, Guangdong Province. Our company covers an area of 2,000 square meters, combining production and trade. With strong technical capabilities, we employ experienced management, design and technical personnel specializing in molds, stamping, hardware processing, and product R&D.

We specialize in metal stamping, CNC machining and sheet metal fabrication with rich experience in the metal manufacturing industry. Our main products include automotive spare parts, aluminum heat sinks, custom chassis shells and CNC machining products.

With 30 sets of 20-200T stamping equipment, we maintain strict quality control and achieve monthly output of 500,000 pieces with precision and high efficiency. Our monthly production capacity includes approximately 800 sets of industrial chassis molds and 5,000 sets of industrial chassis products.

Adhering to principles of mutual benefit, we have earned a reliable reputation through professional services, quality products and competitive prices. We welcome customers worldwide to cooperate for common success.

Frequently Asked Questions

Who are we?

We are based in Guangdong, China, operating since 2015. We serve domestic and international markets including North America, Europe, Asia, Oceania, South America and Africa with a team of 11-50 professionals.

How do we guarantee quality?

We provide pre-production samples before mass production and conduct final inspections before shipment.

What products do we offer?

Metal parts, heatsinks, and stamping parts including our specialized crate clips.

Why choose us?

With experience since 1989, we specialize in precision metal stamping and casting with comprehensive production capabilities. Our advantages include strict quality control, competitive pricing, fast delivery and excellent service.

What services do we provide?

We accept various delivery terms (FOB, CFR, CIF, etc.) and payment methods (T/T, L/C, Credit Card, etc.). Our team

communicates in English, Chinese and German.
