

OEM Custom Aluminium Stainless Sheet Metal Stamping Near Me Laser Cutting Bending

Our Product Introduction

for more products please visit us on tampin-metal.com

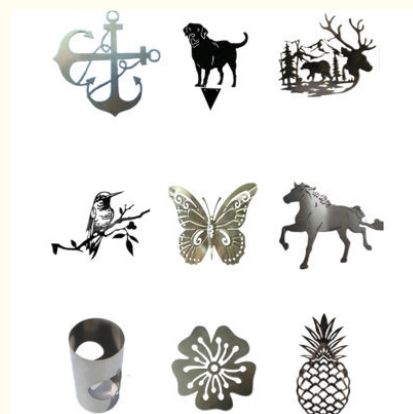

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: TIANPIN
- Model Number: OEM
- Minimum Order Quantity: 500 pieces
- Price: CN¥2.50/pieces 500-999 pieces

Product Specification

- Material: Stainless Steel, Aluminum, Carbon Steel, Brass, Copper, Iron, etc.
- Surface Treatment: Polished, Galvanized, Powder Coating, Anodized, etc.
- Application: Automotive, Electronics, Machinery, Etc.
- Processing Way: Laser Cutting, Stamping, Bending, Deep Drawn
- Dimensions: According To Drawings Or Samples
- Size: Various Size Available
- Color: Silver, Black, Customized
- Shape: All Kinds, As Your Request
- QC: 100% Inspection Before Shipment
- Sample: Free But You Need To Pay For The Shipping Cost
- Highlight: **OEM Custom Sheet Metal Stamping, Aluminium Stainless Sheet Metal Stamping, Laser Cutting Bending Sheet Metal Stamping**

Product Description

Custom Metal Stamping & Fabrication Services

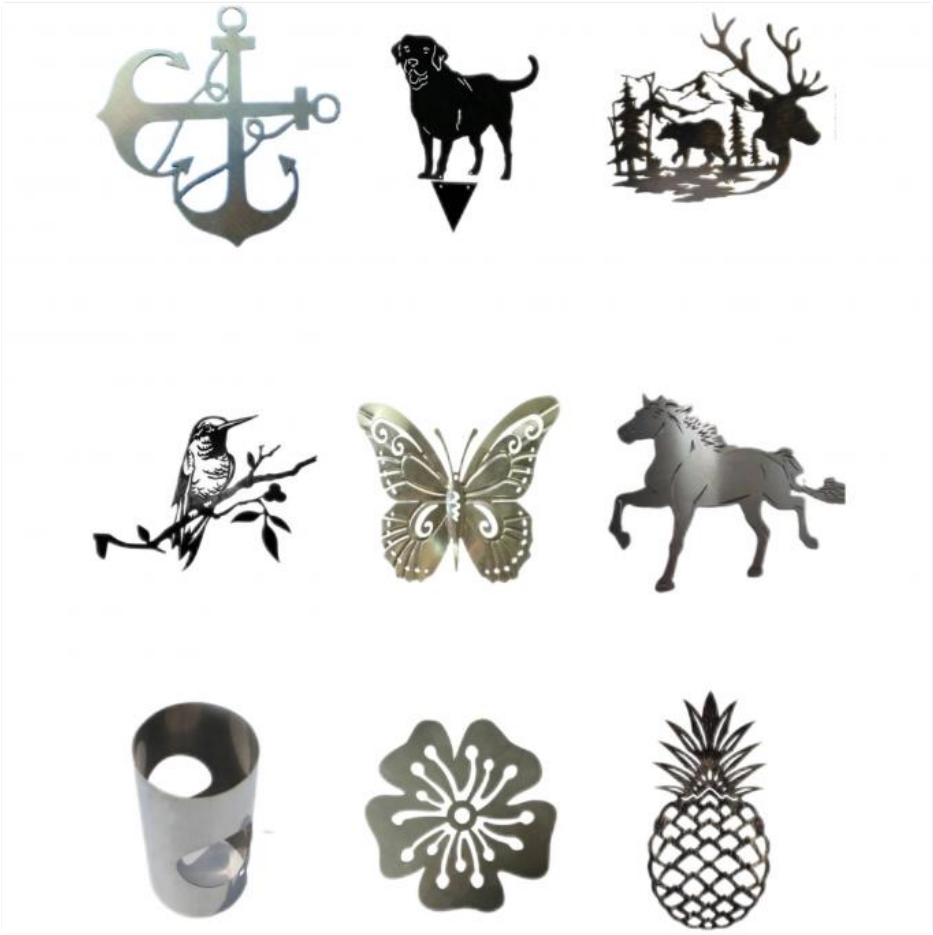

Product Specifications

Material	Stainless Steel, Aluminum, Carbon Steel, Brass, Copper, Iron, etc.
Surface Treatment	Polished, Galvanized, Powder Coating, Anodized, etc.
Application	Automotive, Electronics, Machinery, etc.
Processing Methods	Laser Cutting, Stamping, Bending, Deep Drawn
Dimensions	Custom according to drawings or samples
Quality Control	100% inspection before shipment

Product Details

We provide precision OEM metal fabrication services including stamping, laser cutting, and bending for various industries. Our capabilities include working with multiple materials and finishes to meet your exact specifications.

Packaging & Shipping

Selling Unit	Single Item
Package Size	20×20×15 cm
Gross Weight	0.2 kg

Packaging

Bubble wrap protection in cartons

Delivery Time

25-30 work days

Our Manufacturing Advantages

With extensive experience in metal manufacturing, we specialize in automotive parts, aluminum heat sinks, custom chassis, and CNC machining. Our facility features 30 sets of 20-200T stamping equipment, ensuring monthly production capacity of 500,000 pieces with precision and efficiency.
