

Multi-Process Custom Metal Parts Full Material Options High Consistency

Our Product Introduction

for more products please visit us on tampin-metal.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: TAMPIN
- Model Number: OEM
- Minimum Order Quantity: 1000 pieces
- Price: CN¥3.92/pieces 1000-2999 pieces

Product Specification

- Product Name: Stainless Steel Deep Drawn Parts
- Material: Stainless Steel, Aluminium
- Finish: Polishing, Zinc Plated, Nickle Plated
- Color: Customized Color
- Size: Customized Size
- Process: Stamping, Deep Drawing
- Application: Industry
- Service: Customized OEM ODM
- Keyword: Deep Drawing Part
- MOQ: 500pcs
- Highlight: Full Material Options Custom Metal Parts, Multi-Process Custom Metal Parts, High Consistency Custom Metal Parts

Product Description

Stainless Steel Deep Drawn Parts

We specialize in high-precision deep drawn metal parts, expertly crafted from premium stainless steel, aluminum, or carbon steel to meet your most demanding specifications. Our advanced manufacturing process ensures exceptional dimensional accuracy ($\pm 0.05\text{mm}$), making our components ideal for applications where tight tolerances and reliability are critical.

Product Specifications

Material	Carbon Steel, Stainless Steel, Brass, Aluminum, Cold-rolled steel
Finish	Polished, Anodized, Zinc Plated, Powder Coating
Drawing Formation	PDF, CAD/DWG/DXF, IGS/STP etc
Inspection Equipment	Micrometer, Callipers, Tensile Machine, Spectrograph, Three-Dimensional etc.
Tolerance	According to actual conditions

Packing & Delivery

OEM/ODM SERVICE

Format of the drawing: PDF, JPEG, CAD, IJS, STP, SOLIDWORKS, ETC.

Custom Logo: Acceptable, such as company name, website, principle and so on.

Sample time: 10-25 days. But it depends on the order quantity and the specific product. Different product may has different lead time.

Advantages for Mold: One time paid, Reusable, Quick to build.

QC AND AFTER-SALES SERVICE

1. First article inspect will be made for each new product.
2. Strict inspection before shipment.
3. Material and measurement reports will be provided.
4. If there is quality problem, we will replace goods or return funds.

We have a perfect logistics system. If you don't have your own forwarder, we will provide you with the most suitable transport solution!

Company Profile

Dongguan Tianpin Hardware Technology Co., Ltd. was established in 2008, located in Dongguan, Guangdong Province, enjoying convenient transportation and beautiful environment. Our company covers an area of 2,000 square metres, combining production and trade operations. We have strong technical capabilities with experienced management, design and technical personnel specializing in molds, stamping, hardware processing, and product R&D. Our team of about 50 employees specializes in metal stamping, CNC machining and sheet metal fabrication.

Our Advantages

Our company has rich experience in the metal manufacturing industry. Our main products include automotive spare parts, aluminium heat sinks, custom chassis shells and CNC machining products to meet different customer requirements. With 30 sets of 20-200T stamping equipment, we strictly control product quality while achieving a monthly output of 500,000 pieces with precision and high-speed production efficiency.

FAQ

Do you have any MOQ?

No limit. Larger quantities receive better pricing - we will find the best price for you.

What's the delivery time?

Generally 7-15 days - we will arrange production as soon as possible.

What can you buy from us?

Metal Stamping/Toggle Latch/Casting/Clamp/Crate Clip/Server Chassis

Which shipping method do you usually use?

By train/sea DDP, by express, or we can ship with your own forwarder.

How do I know if you have shipped my order?

We provide tracking numbers immediately after shipment.
