

## Reinforced Rib Layout Mounting Bracket Sheet Metal Fabrication Near Me Hybrid Coating Universal Compatibility

Our Product Introduction

for more products please visit us on [tampin-metal.com](http://tampin-metal.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Tampin
- Model Number: OEM ODM
- Minimum Order Quantity: 100 pieces
- Price: CN¥4.28/pieces 100-999 pieces

### Product Specification

- Material: Stainless Steel\Carbon Steel\Aluminum
- Process: Laser Cutting Bending Stamping Welding
- Surface Treatment: Painting\Powder Coat\Polish\Anodize
- Application: Industrial Equipment
- Product Name: Sheet Metal Fabrication Stamping Bending Welding Turning Parts
- Service: Customize ODM OEM
- Drawing Format: 2D/3D/CAD/DWG//STEP/PDF/IGS
- Technology: 20 Years Experience
- Sample: Available
- MOQ: 100pcs
- Highlight: Reinforced Rib Layout Mounting Bracket, Hybrid Coating Mounting Bracket, Universal Compatibility Mounting Bracket

## Reinforced Rib Layout Mounting Bracket Sheet Metal Fabrication

Our custom-engineered L-corner connecting brackets are precision-manufactured from high-quality galvanized steel, offering superior strength and corrosion resistance for wood construction and assembly applications. Designed for OEM partnerships, these brackets can be tailored to your exact specifications, including dimensions, thickness, and hole patterns, ensuring perfect compatibility with your project requirements.

## Product Specifications

Place of Origin	China
Brand Name	Tampin
Model Number	OEM ODM
Material	Stainless Steel / Carbon Steel / Aluminum
Process	Laser Cutting, Bending, Stamping, Welding
Surface Treatment	Painting, Powder Coat, Polish, Anodize
Application	Industrial Equipment
Service	Customize, ODM, OEM
Drawing Format	2D/3D/CAD/DWG/STEP/PDF/IGS
Technology	20 Years Experience
Sample	Available
MOQ	100pcs

## Packing & Delivery

To better ensure the safety of your goods, professional, environmentally friendly, convenient and efficient packaging services will be provided.

## PACKING AND SHIPPING

1. **General Package:** packing in bubble bags or plastic bags first, then in cartons, and finally in crates or pallet.
2. As per customer's request.

## Company Profile

Dongguan Tianpin Hardware Technology Co., Ltd. was established in 2008, located in Dongguan, Guangdong Province, enjoying convenient transportation and beautiful environment. Our company covers an area of 2,000 square metres, set production and trade as one, the company has strong technical force, has a number of experienced and many years engaged in molds, stamping, hardware processing, product R&D and other projects of the management, design and technical personnel, the existing number of employees about 50 people.

We are specialized in metal stamping, CNC and sheet metal etc. Our company has rich experience in the metal manufacturing industry. Our main products include automotive spare parts, aluminium heat sinks, custom chassis shells and CNC machining products to meet different requirements of different customers. We have 30 sets of 20-200T stamping equipments to strictly control the quality of our products, and we can reach a monthly output of 500,000 pieces with precision and high speed production efficiency.

## Frequently Asked Questions

### 1. Who are we?

We are based in Guangdong, China, established in 2015. We serve domestic and international markets including North America, Europe, Asia, and more with a team of 11-50 professionals.

### 2. How can we guarantee quality?

Always a pre-production sample before mass production; Always final inspection before shipment.

### 3. What can you buy from us?

Metal Parts, Heatsinks, Stamping Parts, and custom fabrication services.

### 4. Why should you buy from us?

With experience since 1989, we specialize in precision metal stamping and casting, offering strict QC, competitive pricing, fast delivery, and excellent service.

### 5. What services can we provide?

We accept various delivery terms and payment methods including T/T, L/C, PayPal, and more. Languages spoken: English, Chinese, German.
