

Coating Polishing Metal Injection Molding Powder Custom CNC Parts Stainless Steel Sheet Metal Fabrication

Our Product Introduction

for more products please visit us on tampin-metal.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: TIANPIN
- Model Number: OEM
- Minimum Order Quantity: 300 pieces
- Price: \$0.30-0.35 / piece

Product Specification

- Material: Stainless Steel, Aluminum, Carbon Steel
- Accuracy: ± 0.1 mm
- Dimensions: According To Drawings Or Samples
- Surface Treatment: Polishing, Powder Coating, Galvanized, Etc.
- Size: Customer's Drawings
- Color: Silver, Black, Customized
- Processing Way: CNC Machining, Bending,
- Service: OEM ODM Customized
- Sample: Available
- Lead Time: 15-20 days
- Highlight: **Metal Fabrication Custom CNC Parts,
Metal Injection Molding Custom CNC Parts,
Coating Polishing Custom CNC Parts**

Our Product

Product Description

Custom Metal Fabrication Services

Precision CNC machining and metal injection molding services for stainless steel, aluminum, and carbon steel components with various surface treatment options.

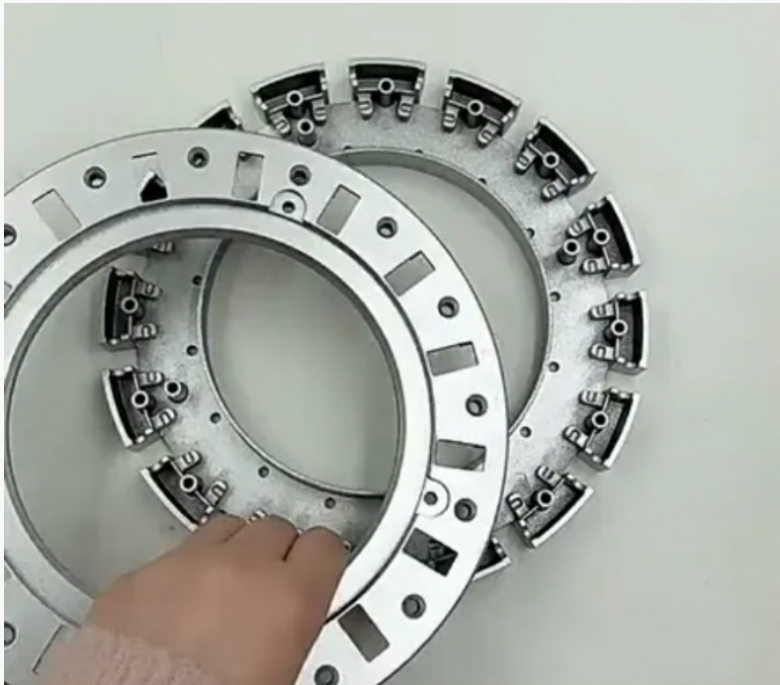

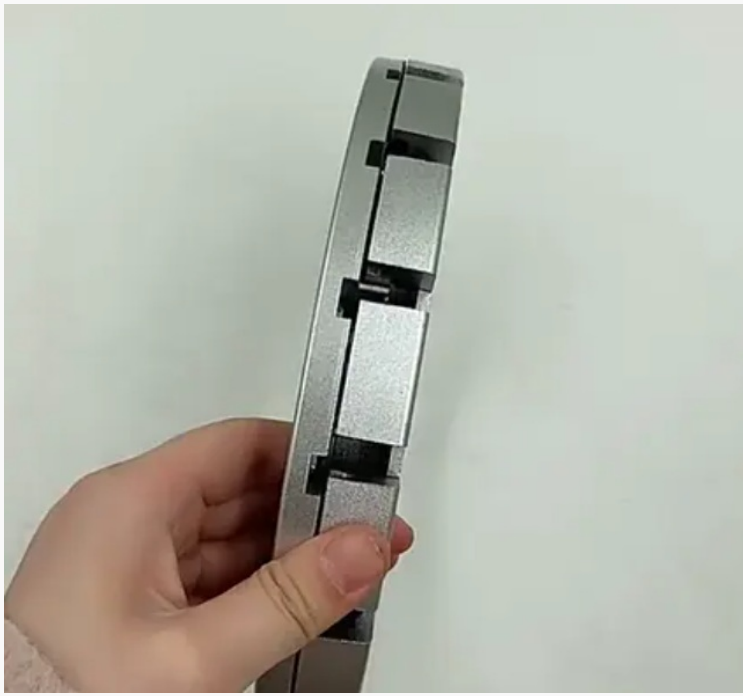

Product Specifications

Attribute	Value
Material	Stainless Steel, Aluminum, Carbon Steel
Accuracy	±0.1mm
Dimensions	According To Drawings Or Samples
Surface treatment	Polishing, Powder Coating, Galvanized, Etc.
Size	Customer's Drawings
Color	Silver, Black, Customized
Processing Way	CNC Machining, Bending
Service	OEM ODM Customized
Sample	Available
Lead Time	15-20 days

Detailed Product Information

Custom metal fabrication services including CNC machining, stamping, and bending for precision metal components. Available in various materials and finishes to meet your specific requirements.

Packaging & Delivery

Selling Unit	Single Item
Single Package Size	20×20×15 cm
Single Gross Weight	0.2 kg

Manufacturing Facility

Product Packaging

Our Advantages

Why Choose Us?

- Quality inspection and size reporting before packaging
- Custom label printing options including screen printing and laser marking
- Secure packaging with carton and polyethylene bag protection
- Free samples available for quality testing
- Custom model making according to your design specifications
- Quality guarantee with 1:1 replacement for any defective products
- Fast delivery within 2-5 days for available stock items

Frequently Asked Questions

Q: Do you have any MOQ?

A: No minimum order quantity. Larger quantities receive better pricing.

Q: What's the delivery time?

A: Typically 7-15 days, with expedited options available.

Q: What products do you offer?

A: Metal stamping, toggle latches, casting, clamps, crate clips, and server chassis components.

Q: Why choose your company?

A: Established in 1998, we specialize in precision metal fabrication with strict quality control, competitive pricing, and reliable service.

Q: Which shipping methods do you use?

A: We ship by train/sea DDP, express, or can use your preferred forwarder.

Q: How do I track my order?

A: We provide tracking numbers immediately upon shipment.
