

Industrial Silver Customizable Stainless Steel Aluminum CNC Machined Parts Stamping Bending

Our Product Introduction

for more products please visit us on tampin-metal.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: TIANPIN
- Model Number: OEM
- Minimum Order Quantity: 300 pieces
- Price: \$0.45-0.50 / piece

Product Specification

- Material: Stainless Steel, Copper, Aluminum, Carbon Steel
- Accuracy: $\pm 0.1\text{mm}$
- Application: Industrial
- Surface Treatment: Polishing, Powder Coating, Galvanized, etc.
- Processing Way: Stamping, CNC Machining, Tool Bending
- Size: Various Size Available
- Color: Silver, Black, Custom
- Sample: Free But You Need To Pay The Shipping Cost
- Service: Customize ODM OEM
- Durability: High
- Highlight: Industrial Silver Customizable CNC Machined Parts
, Stainless Steel Aluminum CNC Machined Parts
, Stamping Bending CNC Machined Parts

Our Product

Product Description

Industrial Silver Customizable Stainless Steel Aluminum CNC Machined Parts

Product Specifications

Material	Stainless Steel, Copper, Aluminum, Carbon Steel
Accuracy	±0.1mm
Application	Industrial
Surface Treatment	Polishing, Powder Coating, Galvanized, etc.
Processing Method	Stamping, CNC Machining, Tool Bending
Size	Various Sizes Available
Color	Silver, Black, Custom
Sample	Free (Customer Pays Shipping)
Service	Customize ODM OEM
Durability	High

Product Description

Custom precision CNC machined parts manufactured through stamping, bending, and CNC machining processes. Available in various materials including stainless steel, aluminum, and carbon steel with multiple surface treatment options.

Key Features:

- High precision (±0.1mm accuracy)
- Multiple material options
- Custom surface treatments available
- Industrial-grade durability
- Flexible customization options

Packaging & Delivery

Selling Unit	Single Item
Package Size	20×20×15 cm
Gross Weight	0.2 kg
Packaging Method	Bubble pack individually to prevent damage, then in carton
Delivery Time	25-30 work days
Payment Terms	T/T, D/A, L/C, D/P, Western Union, MoneyGram

Factory & Production

Packaging Process

Our Advantages

- Comprehensive quality inspection and size reporting
- Multiple label printing options (screen printing, laser marking)
- Custom packaging solutions

Free samples available for quality testing
Custom model making according to your design
1:1 replacement for any quality issues
Fast delivery (2-5 days for in-stock items)

Frequently Asked Questions

Q: Do you have any MOQ?

A: No minimum order quantity. Larger quantities receive better pricing.

Q: What's the delivery time?

A: Typically 7-15 days, with expedited options available.

Q: What products do you offer?

A: Metal Stamping, Toggle Latches, Castings, Clamps, Crate Clips, Server Chassis, and precision CNC components.

Q: Why choose your company?

A: Established in 1998, we specialize in precision metal stamping and casting with comprehensive production capabilities. Our strict QC system, competitive pricing, fast delivery, and excellent service set us apart.

Q: What shipping methods do you use?

A: We offer sea/rail DDP, express shipping, or can work with your preferred forwarder.

Q: How do I track my order?

A: We provide tracking numbers immediately upon shipment.
