

Deep Drawn Metal Stamping Parts Welding Bending Services Iron Copper

Our Product Introduction

for more products please visit us on tampin-metal.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: TIANPIN
- Model Number: OEM
- Minimum Order Quantity: 1000 pieces
- Price: \$0.98/pieces 1000-4999 pieces

Product Specification

- Material: Aluminum, Iron, Stainless Steel, Brass, Copper, etc.
- Application: Industrial, Commercial, And Residential Use
- Dimensions: According To Your Requirements Or Drawings
- Surface Treatment: Power Coating, Polishing, Anodized, Electroplating
- Processing Way: Stamping, Bending, Welding, Laser Cutting
- Size: Various Size Available
- Color: Silver, Black, Customized
- Load Capacity: Depends On Size And Material
- Sample: Free
- Delivery Time: 15-20 Work Days
- Highlight: **Deep Drawn Metal Stamping Parts, Iron Copper Metal Stamping Parts, Welding Bending Services Metal Stamping Parts**

Product Description

Deep Drawn Metal Stamping Parts with Welding & Bending Services

Product Specifications

Material

Aluminum, Iron, Stainless Steel, Brass, Copper, etc.

Application

Industrial, Commercial, and Residential Use

Dimensions

Customized to Your Requirements

Surface Treatment

Power Coating, Polishing, Anodized, Electroplating

Processing Methods

Stamping, Bending, Welding, Laser Cutting

Load Capacity

Varies by Size and Material

Sample Availability

Free Samples Available

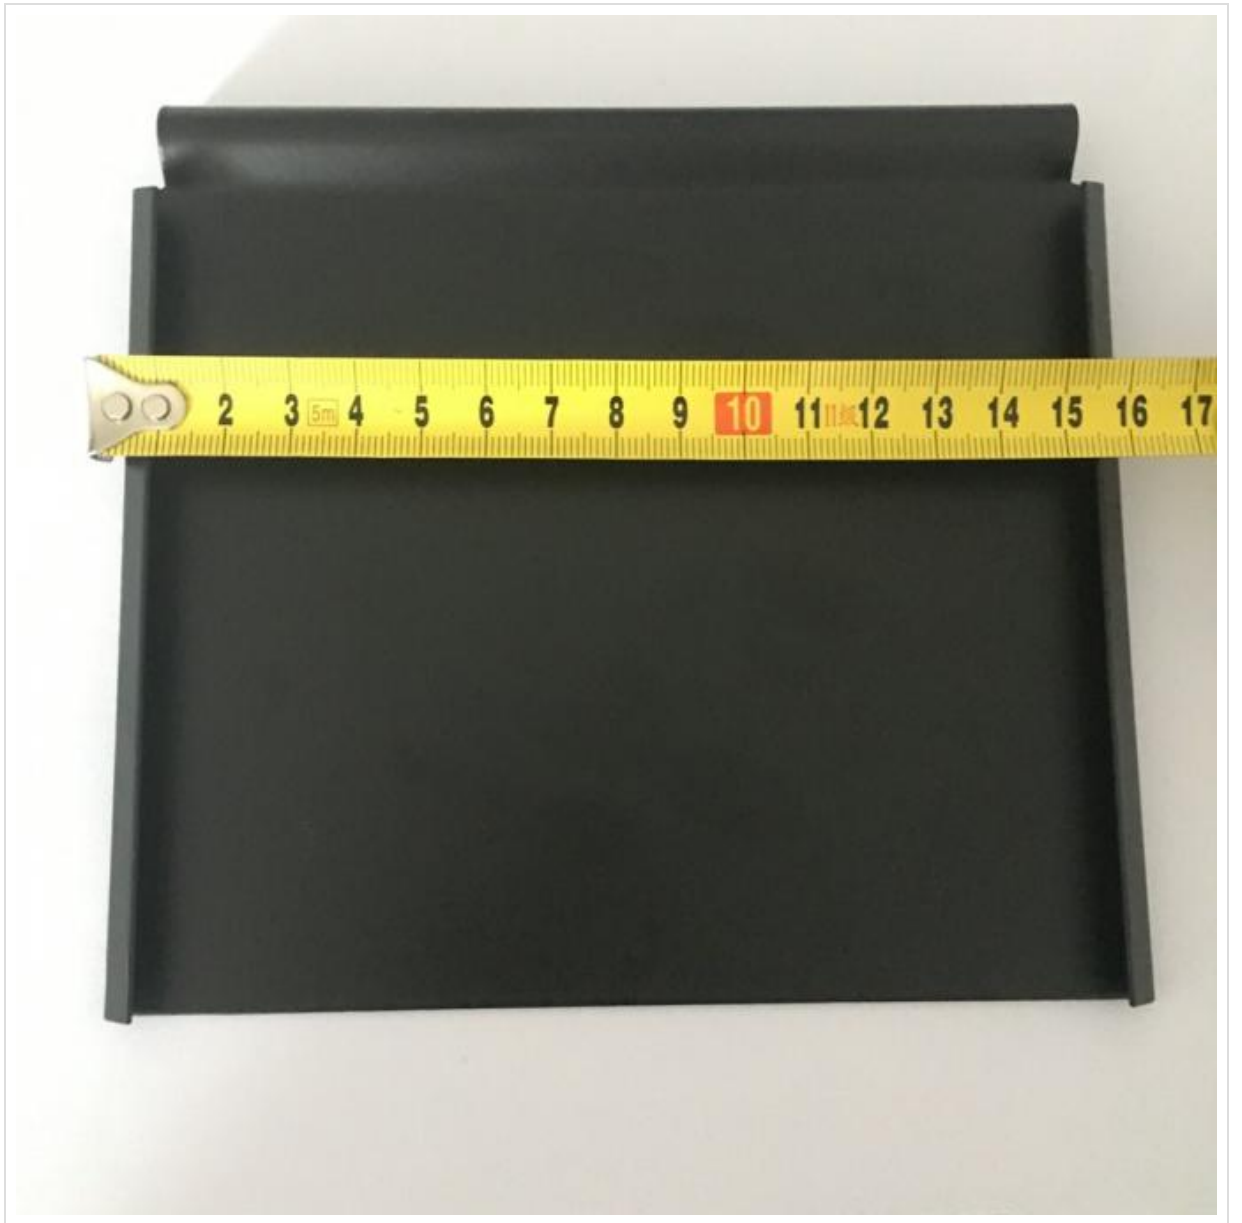

Delivery Time

15-20 Work Days

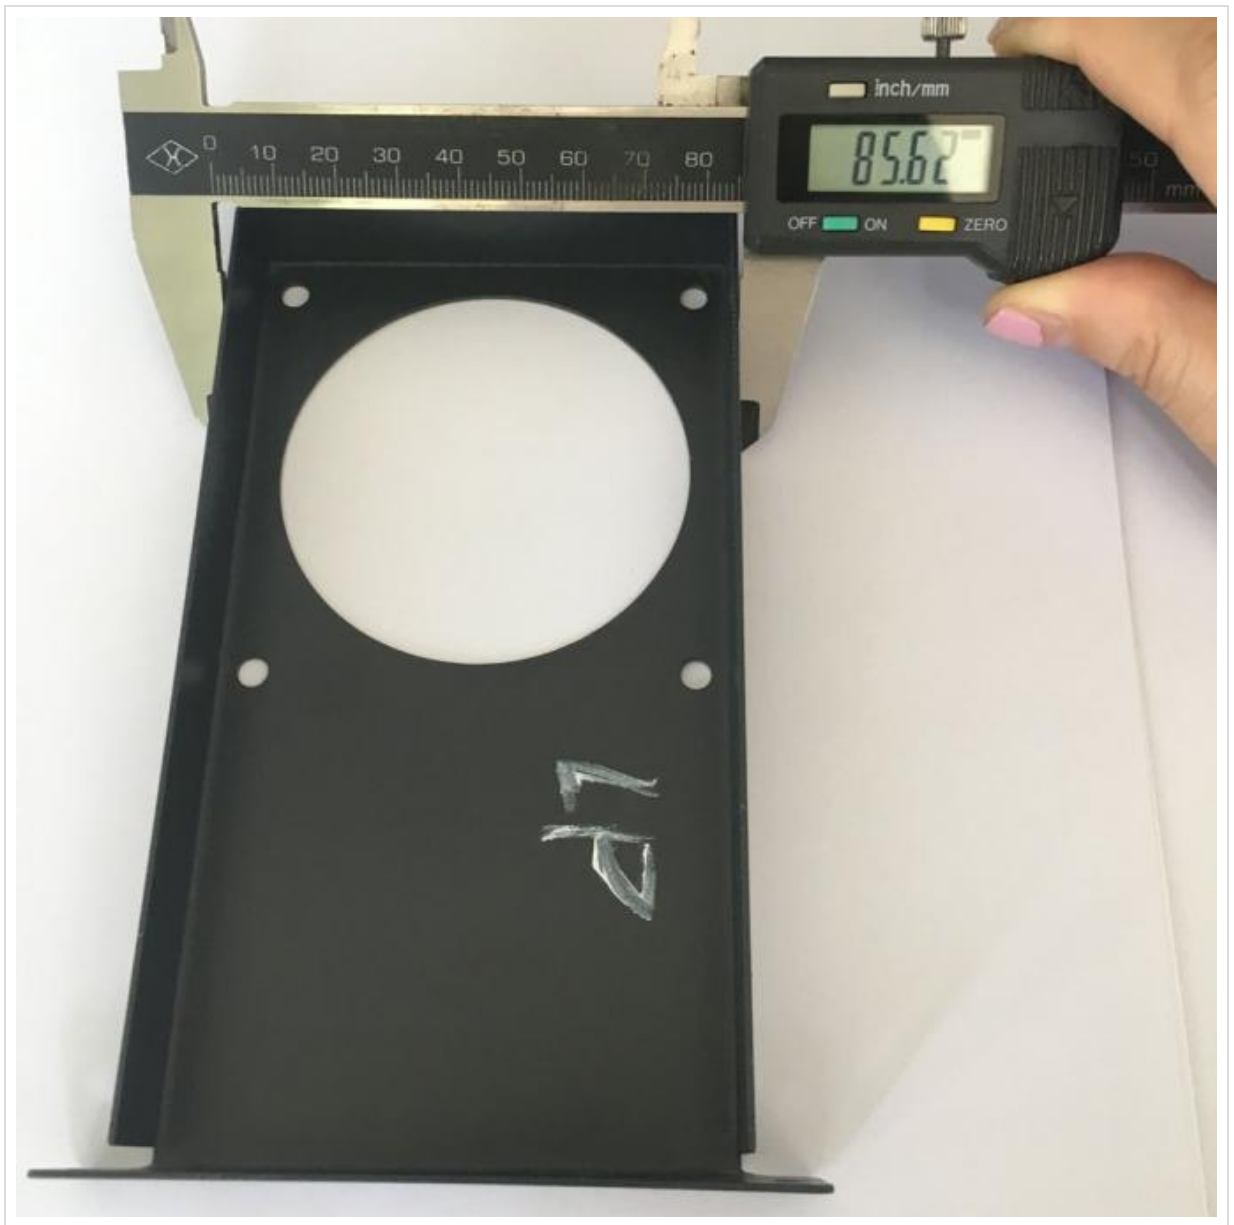

Custom Sheet Metal Fabrication Services

We specialize in precision metal stamping and sheet metal fabrication using various materials including aluminum, stainless steel, brass, and copper. Our comprehensive services include stamping, CNC laser cutting, deep drawn forming, and more.

Packaging & Shipping

Packaging

Bubble wrapped individually, then packed in cartons

Package Size

20×20×15 cm

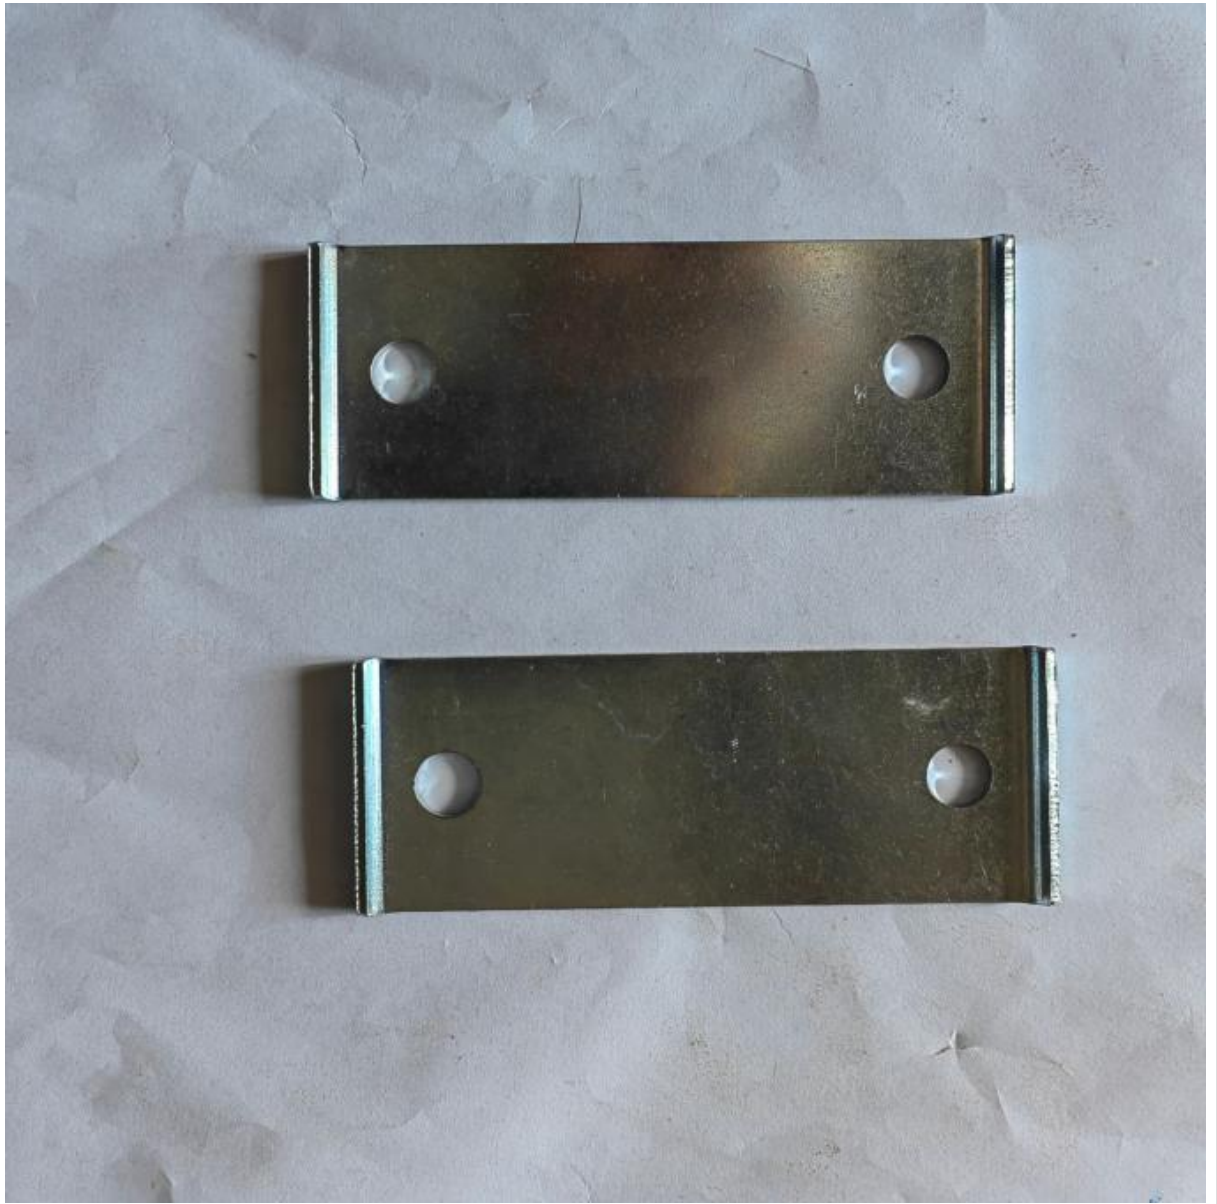

Gross Weight

0.2 kg per unit

Payment Terms

T/T, D/A, L/C, D/P, Western Union, MoneyGram

Why Choose Our Services

We specialize in producing high-quality hardware stamping molds, progress molds, and drawing molds with a monthly production capacity of approximately 800 sets of complete industrial chassis molds and 5,000 sets of industrial chassis products.

Our advantages include:

- Professional services with strict quality control
- Competitive pricing with no MOQ requirements
- Fast delivery times (typically 7-15 days)
- Reliable reputation built since 2008
- Comprehensive metal fabrication solutions

Frequently Asked Questions

Q: Do you have any MOQ?

A: No minimum order quantity. We offer better pricing for larger quantities.

Q: What's the delivery time?

A: Typically 7-15 days, with expedited options available.

Q: What products do you offer?

A: Metal stamping, clamps, crate clips, CNC machining, monitor stands, and sheet metal fabrication.

Q: Why choose your company?

A: With expertise since 2008, we offer strict QC, competitive pricing, fast delivery, and excellent service.

Q: What shipping methods do you use?

A: We ship by train/sea DDP, express, or can use your preferred forwarder.

Q: How do I track my order?

A: We provide tracking numbers immediately upon shipment.
