Packing & Delivery

We maintain an efficient logistics system and can arrange the most suitable transportation method for your needs, whether you have your own forwarder or require our shipping solutions.

Company Profile

Frequently Asked Questions

Q: Do you have any MOQ?

A: No limit. Larger quantities receive better pricing - we'll find the best price for your order.

Q: What's the delivery time?

A: Typically 7-15 days. We prioritize prompt order processing.

Q: What products do you offer?

A: Metal Stamping, Toggle Latches, Castings, Clamps, Crate Clips, Server Chassis components.

Q: Which shipping methods are available?

A: Train/sea DDP, express shipping, or we can work with your preferred forwarder.

Q: How will I know when my order ships?

A: We provide tracking information immediately upon shipment.

Q: Why is there a tooling cost?

A: This covers mold costs for initial production. You only pay once - we maintain the molds thereafter.
