

Host Chassis Cabinet Accessories Sheet Metal Shell Processing with CNC Bending Oxidation Laser Cutting Welding

Our Product Introduction

for more products please visit us on tampin-metal.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Tampin
- Model Number: OEM
- Minimum Order Quantity: 100
- Price: \$9.99-12.99

Product Specification

- Material: Carbon Steel
- Process: Laser Cutting Bending Stamping
- Logo: Customized Logo
- MOQ: 100 Pcs
- Application: Electronic, Automotive
- Drawing Format: 3D/CAD/DWG//STEP/PDF
- Surface Finish: Anodized Powder Coating
Polishing.sandblasting
- Lead Time: Sample: 3-5 Day
- Service: Customized OEM
- Highlight: **CNC bending sheet metal chassis,
laser cut metal cabinet accessories,
oxidized welded sheet metal shell**

Product Description

Host Chassis Cabinet Accessories Sheet Metal Shell Processing

Product Specifications

Attribute	Value
Material	Carbon Steel
Process	Laser Cutting Bending Stamping
Logo	Customized Logo
MOQ	100 Pcs
Application	Electronic, Automotive
Drawing format	3D/CAD/DWG/STEP/PDF
Surface finish	Anodized Powder Coating Polishing, Sandblasting
Lead time (Sample)	3-5 Days
Service	Customized OEM

Product Details

Precision manufactured sheet metal shells with CNC bending, oxidation treatment, laser cutting, and welding processes. Ideal for host chassis and cabinet applications in electronic and automotive industries.

Packaging & Delivery

PACKING AND SHIPPING

We provide professional, environmentally friendly packaging to ensure the safety of your goods during transportation. Our efficient packaging services combine protection with convenience.

Company Profile

Dongguan Tianpin Hardware Technology Co., Ltd. was established in 2008 in Dongguan, Guangdong Province. With 2,000 square meters of production space and about 50 employees, we specialize in:

Metal stamping and CNC machining

Sheet metal fabrication

Custom chassis shells and automotive parts

Aluminum heat sinks and precision components

Our production capacity includes 30 sets of 20-200T stamping equipment with monthly output of 500,000 pieces. We maintain strict quality control and offer competitive pricing with reliable service.

Frequently Asked Questions

Who are we?

Based in Guangdong, China since 2015, we serve global markets including North America, Europe, Asia, and more. Our team of 11-50 professionals delivers quality metal components worldwide.

How do we guarantee quality?

We implement strict quality control measures including pre-production samples and final inspection before shipment to ensure product excellence.

What can you buy from us?

We specialize in metal parts, heat sinks, and precision stamping components for various industrial applications.

Why choose us?

With decades of experience since 1989, we offer:

Precision metal fabrication expertise

Comprehensive quality control

Competitive pricing

Fast delivery and excellent service

What services do we provide?

We accept various delivery terms (FOB, CIF, EXW, etc.) and payment methods (T/T, L/C, PayPal, etc.), with multilingual support in English, Chinese, and German.
