

Metal Stamping Parts Logo Customization STEP PDF Format Model Number OEM

Our Product Introduction

for more products please visit us on tampin-metal.com

Basic Information

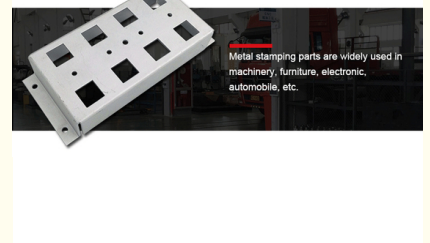

- Place of Origin: Guangdong, China
- Brand Name: Tampin
- Model Number: OEM
- Minimum Order Quantity: 100
- Price: \$0.15-0.20

Product Specification

- Material: Carbon Steel
- Process: Laser Cutting Bending Stamping
- Logo: Customized Logo
- MOQ: 100 Pcs
- Application: Electronic, Automotive
- Drawing Format: 3D/CAD/DWG//STEP/PDF
- Surface Finish: Anodized Powder Coating
Polishing.sandblasting
- Lead Time: Sample: 3-5 Day
- Service: Customized OEM
- Highlight: Logo Customization Metal Stamping Parts,
Model Number OEM Metal Stamping Parts,

PRODUCT DISPLAY

PRODUCT FEATURES

(1) Various choices for materials and surface treatment.

(3) Extensive application

(2) Good wear resistance

(5) Small tolerance

(4) High precision

CUSTOMIZED METAL STAMPING PART

- ✓ A variety of specifications
- ✓ Various choices for materials
- ✓ Extensive application

Packing & Delivery

We provide professional, environmentally friendly, and efficient packaging services to ensure the complete safety of your goods during transit.

Company Profile

Dongguan Tianpin Hardware Technology Co., Ltd. was established in 2008 and is located in Dongguan, Guangdong Province. Our 2,000 square meter facility combines production and trade operations, staffed by approximately 50 experienced professionals specializing in molds, stamping, hardware processing, and product R&D.

We specialize in:

- Metal stamping and CNC machining
- Sheet metal fabrication
- Production of automotive spare parts and aluminum heat sinks
- Custom chassis shells and precision components

Our production capacity includes:

- 30 sets of 20-200T stamping equipment
- Monthly output of 500,000 pieces with high precision
- 800 sets of industrial chassis molds monthly capacity
- 5,000 sets of industrial chassis products monthly

We maintain strict quality control and offer competitive pricing, earning a reliable reputation among our global customers.

Frequently Asked Questions

Who are we?

Based in Guangdong, China since 2015, we serve global markets including North America, Europe, Asia, and beyond with our team of 11-50 professionals.

How do we guarantee quality?

- Pre-production samples for approval
- Final inspection before shipment

What products do we offer?

Metal parts, heatsinks, and precision stamping components for various industrial applications.

Why choose us?

With experience since 1989, we offer specialized precision metal stamping and casting with strict QC, competitive pricing, fast delivery, and excellent service.

What services do we provide?

We accept various delivery terms (FOB, CIF, EXW, etc.) and payment methods (T/T, L/C, PayPal, etc.), with support in multiple languages including English, Chinese, and German.
