

## OEM ODM Custom Anodizing Aluminum Shell Stainless Steel Cabinet Enclosure Metal Chassis Case Sheet Metal Fabrication

Our Product Introduction

for more products please visit us on [tampin-metal.com](http://tampin-metal.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: \
- Model Number: OEM
- Minimum Order Quantity: 100
- Price: \$5.95-8.95

### Product Specification

- Material: Carbon Steel
- Process: Laser Cutting Bending Stamping
- Application: Industrial, Commercial, And Residential Use
- Finish: Anodized Powder Coating  
Polishing.sandblasting
- Drawing Format: 3D/CAD/DWG//STEP/PDF
- Color: Customized Color
- Size: Customer Size
- MOQ: 100pcs
- Logo: Customized Logo
- Service: OEM\ODM
- Highlight: **custom anodizing aluminum enclosure,  
stainless steel cabinet chassis,  
sheet metal fabrication case**

Product Description

Custom Metal Enclosures & Chassis Cases

Product Specifications

Material	Carbon steel
Process	Laser Cutting, Bending, Stamping
Application	Industrial, Commercial, and Residential Use
Finish	Anodized, Powder Coating, Polishing, Sandblasting
Drawing format	3D/CAD/DWG/STEP/PDF
Color	Customized Color
Size	Customer Size
MOQ	100pcs
Logo	Customized Logo
Service	OEM/ODM

Product Features

- Precision metal fabrication for enclosures and chassis cases
- Custom anodizing and surface finishing options
- Available in stainless steel and aluminum materials
- Supports OEM/ODM customization
- Wide range of industrial applications

Additional Specifications

Brand Name	Tampin
Place of Origin	Guangdong, China
Tolerance	According to actual conditions
Lead time (Sample)	3-5 Days
Primary Applications	Electronic, Automotive

Packaging & Delivery

**P**ACKING AND SHIPPING

## OEM/ODM SERVICE

**Format of the drawing:** PDF, JPEG, CAD, IJS, STP, SOLIDWORKS, ETC.

**Custom Logo:** Acceptable, such as company name, website, principle and so on.

**Sample time:** 10-25 days. But it depends on the order quantity and the specific product. Different product may has different lead time.

**Advantages for Mold:** One time paid, Reusable, Quick to build.

## QC AND AFTER-SALES SERVICE

1. First article inspect will be made for each new product.
2. Strict inspection before shipment.
3. Material and measurement reports will be provided.
4. If there is quality problem, we will replace goods or return funds.

**We have a perfect logistics system.** If you don't have your own forwarder, we will provide you with the most suitable transport solution.

### Manufacturing Capabilities

Dongguan Tianpin Hardware Technology Co., Ltd. specializes in metal stamping, CNC machining, and sheet metal fabrication. Established in 2008, our 2,000 square meter facility in Guangdong employs approximately 50 skilled professionals in product R&D, mold making, and precision manufacturing.

### WHY CHOOSE US

**Skilled Personnel**  
We have a highly qualified team of engineers capable of providing personalized design and technical support.

**Large Factory Space**  
Our modern production facility is fully equipped to meet large-scale custom manufacturing needs.

**Customization Flexibility**  
We focus on providing unique customer requirements and provide a variety of customization services.

**Extensive Production Experience**  
With over 20 years of metal manufacturing experience, we ensure high quality and stable production capabilities.

**Precision Machining**  
We utilize advanced processing equipment and technology to ensure product accuracy and consistency.

**Comprehensive Customer Service**  
From design to delivery, we offer full service support to ensure customer satisfaction and production efficiency.

### CONTACT US

Feel free to contact us at any time to learn more about our capabilities and services.  
We look forward to collaborating with you!

### Our Advantages

30 sets of 20-200T stamping equipment for precision manufacturing  
Monthly production capacity of 500,000 pieces  
Specialization in automotive parts, aluminum heat sinks, and custom chassis  
Strict quality control measures  
High-speed production efficiency

### Frequently Asked Questions

#### Do you have any MOQ?

No limit. More quantity has better price, we will check the best price for you.

#### What's the delivery time?

Generally within 7-15 days, we will arrange for you as soon as possible.

#### What can you buy from us?

Metal Stamping, Toggle Latch, Casting, Clamp, Crate Clip, Server Chassis

**Which shipping method do you usually use?**

By train/sea DDP, by express, we can also ship with your own forwarder.

**How do I know if you have shipped my order?**

Tracking number will be provided as soon as your order is shipped.
