

OEM Factory Custom High Precision Aluminum Profile Ssd Heatsink for PCB Cooling

Our Product Introduction

for more products please visit us on tampin-metal.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Tianpin
- Model Number: Custom
- Minimum Order Quantity: 1000

Product Specification

- Material: Aluminum
- Product Name: Heat Sink/Aluminum Profile
- Application: Circuit Board/ Electronic Equipment
- Color: OEM
- Usage: Cooling
- MOQ: 100pcs
- Shape: Custom Shape According To Drawing
- Logo: Accept Customized Logo
- Tolerance: 0.1MM
- Finish: Anodized Surface Treatment
- Highlight: custom aluminum SSD heatsink, high precision PCB cooling heatsink, OEM aluminum profile heatsink

Product Description

OEM Factory Custom High Precision Aluminum Profile SSD Heatsink for PCB Cooling

Product Specifications

Attribute	Value
Material	Aluminum
Product name	Heat Sink/Aluminum Profile
Application	Circuit Board/Electronic Equipment
Color	OEM
Usage	Cooling
MOQ	100pcs
Shape	Custom Shape according to Drawing
Logo	Accept Customized Logo
Tolerance	0.1MM
Finish	Anodized Surface Treatment

Product Description

Heatsink

What is a Heatsink?

A heatsink is a critical component used to manage and dissipate heat generated by electronic devices such as CPUs, GPUs, and power supplies. It works by transferring heat from the hot component to the surrounding environment through conduction, convection, and radiation. The effectiveness of a heatsink is measured by its thermal resistance ($^{\circ}\text{C}/\text{W}$), with lower values indicating better performance.

Our heatsinks are widely used across various industries, including:

Computers and Servers: For cooling CPUs, GPUs, and power supplies

Consumer Electronics: In TVs, gaming consoles, and home appliances

Automotive: For battery management systems and power electronics

Telecommunications: In data centers and network equipment

LED Lighting: For heat management in LED modules

Company Profile

Dongguan Tianpin Hardware Technology Co., Ltd. was established in 2008, located in Dongguan, Guangdong Province, enjoying convenient transportation and beautiful environment. Our company covers an area of 2,000 square metres, set production and trade as one, the company has strong technical force, has a number of experienced and many years engaged in molds, stamping, hardware processing, product R&D and other projects of the management, design and technical personnel, the existing number of employees about 50 people. We are specialized in metal stamping, CNC and sheet metal etc. Our company has rich experience in the metal manufacturing industry. Our main products include automotive spare parts, aluminium heat sinks, custom chassis shells and CNC machining products to meet different requirements of different customers. We have 30 sets of 20-200T stamping equipments to strictly control the quality of our products, and we can reach a monthly output of 500,000 pieces with precision and high speed production efficiency. Adhering to the business principle of mutual benefits, we have had a reliable reputation among our customers because of our professional services, quality products and competitive prices. We welcome customers to cooperate with us for common success.

OUR CERTIFICATES

Packaging & Payment

SHIPPING & PAYMENT >>

PAYMENT

SHIPPING

- If the quantity of order is not very big, we could send them to you by express delivery, such as TNT, DHL, UPS OR EMS etc.
- If order is big, we will advise you use Air Shipping or Sea Shipping through your nominated forwarder agent. Our long-term cooperated agent also available.

Why Choose Us?

OUR ADVANTAGE	OUR SERVICE
1. 25 years of Producing & Exporting experience	1. Professional design team, satisfy customer's requirements.
2. Efficient communication	2. Protecting your ideas of design and all your information.
3. Professional service	3. Offer OEM and ODM Service
4. Carefulness and patience	4. Support customization service
5. Good at solving problems for customers	5. On time delivery

FAQ

FAQ >>

Q Do you have any MOQ?

A No limit. More quantity has better price, we will check the best price for you.

Q What's the delivery time?

A Generally within 7-15 days, we will arrange for you as soon as possible.

Q What can you buy from us?

A Metal Stamping/Clamp/Crate Clip/CNC Machining/Monitor Stand/Sheet Metal Fabrication

Q Which shipping method do you usually use?

A By train/sea DDP, by express, we can also ship with your own forwarder.

Q How do I know if you have shipped my order?

A Tracking number will be provided as soon as your order is shipped.

Q Why should you buy from us not from other suppliers?

A Established in 2008, Tianpin Technology is specialized in precision metal stamping& sheet metal fabrication, with wide-range production lines cover all kinds of application areas. Strict QC system, reasonable price, fast delivery and best service are all our advantages.
